M&R Solution

Greetings from M&R Solution

Dear Sir,

I am pleased to introduce my company, **M&R Solution** and myself. Thank you for the time you have given in allowing us to discuss with you the opportunity how our software may assist your organization in future.

We know that every client is unique and we strive to deliver an individual, innovative and affordable proposal every time and to follow it through with an outstanding delivery, which is both on time and within budget. With the mix of our technical expertise and years of experience, we provide nothing else but excellence.

You may also wish to review our website at MrSolution to see our portfolio of previous work and learn more about our organization. We also pride ourselves on our after-sales client-care including our guarantees, staff training and onsite and offsite support.

With these to consider, we hope that you would take time to review the proposal and we hope to hear back from you soon.

Sincerely,

Kabita Thapa
M&R Solution
